Surprising
...

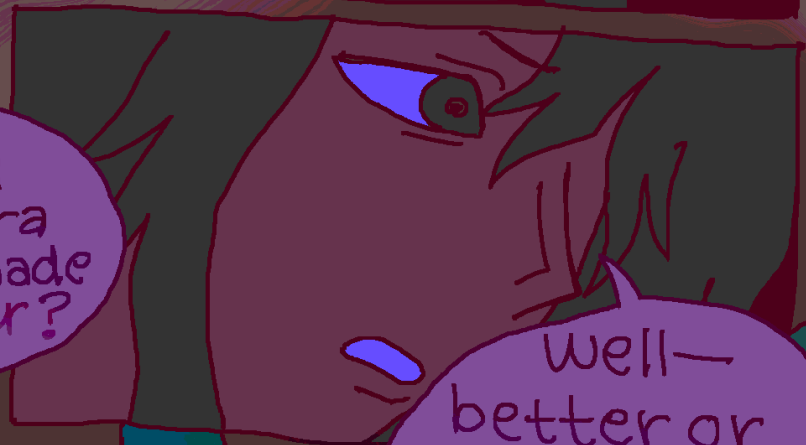

and you think dhira would've made it better?

YES.

well— better or worse doesn't matter...

everyone in highschool was just piles and piles of whoevers...

i knew them for 12 years and they all didn't change.

the only person i even remember is dhira.

and we could've helped each other.

your view
of her isnt

I COULD'VE
HELPED HER.

i knew
her more than
anyone else

things
would've turned
out differently.

i wouldn't've
let... all that
shit happen.

stop

wrong,
neither
of you —

—ing
over —

—under
stood each
other.

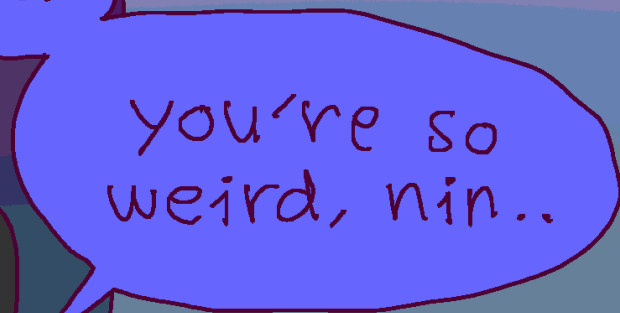

you need
to move
on if —

you —

—you
still want
to reunite
with her.

mad at
me?
